U.S. Customs and Border Protection

NCIC/Nlets Message Notification
Update Announcement

Passenger Systems Program Directorate
Field Readiness & Deployment Support
(b) (7)(E)   @cbp.dhs.gov

If you are (b) (7)(E), the **NCIC/Nlets Message Notification** screen displays upon startup of TECS, and whenever a new NCIC/Nlets alert is received. A message indicates the arrival of an unsolicited message.

- (b) (7)(E) message
- (b) (7)(E) message
- (b) (7)(E)
- (b) (7)(E) message

The messages display in three ways:

1. Messages received upon starting TECS.
2. Messages received while working in TECS.
3. No messages received upon startup, or after viewing the messages.

(b) (7)(E)

Message(s) received upon starting TECS

The (b) (7)(E) pop-up window displays upon initial TECS login.

1. Select to (b) (7)(E)

(b) (7)(E)

2. If you have alert messages available on the **NCIC/Nlets Message Notification** pop-up window, select the **View Messages** button to view and acknowledge them.

(b) (7)(E)

3. On the **Review Messages** screen:

   a. (b) (7)(E)

   b. (b) (7)(E)

   c. (b) (7)(E)

   d. (b) (7)(E)

   e. (b) (7)(E)

   f. (b) (7)(E)

Leave the screen open; minimize only.

Message(s) received while working in TECS

If the **NCIC/Nlets Message Notification** screen is minimized and an alert message arrives:

- (b) (7)(E)
- (b) (7)(E)
- Open the screen and select **View Messages.** The **Review Messages** screen displays, (b) (7)(E) (b) (7)(E)

No messages received upon startup, or after viewing the messages

Upon starting TECS, if the screen displays (b) (7)(E) leave the screen open. You may minimize it.
